Wow. This has been a particularly bad month for me and tardiness!

Just forgot. Just Logged in now.

☺

Just checking in on this.....as we pull together our meeting for January 26th.

Lynda,

Last year we pulled together a last-minute request for a webinar. Actually, AR pulled it together by supporting a phone line, a webinar platform, and running the show. I know it was a big push at the last minute. I wanted to check-in to see if you have discussed a webinar with AR this time around.
